REVISOR'S NOTE: This section is new language that combines Art. 66 1/2, §§ 6-104(b) and 6-110.

In subsection (d) of this section, the present reference to a "person licensed to receive instruction" is deleted as unnecessary and as inconsistent with §16-105(f) (2) of this subtitle, under which a person exempt from obtaining the learner's permit might still be required to take an examination under this section.

The only other changes are in style.
